Customer Reviews

The purpose of this book is to provide a selection of the material required for the Associated Boards of the Royal School of Music exams. While they hold a monopoly, if they are going to charge the steep price that they do for this, it should include every selection of the possible repertoire, and not just a few pieces.

Good copy. Easy to read. Came in good condition.

The printing is kind a blurry.

V useful and printed neatly

Good Exam Book
