Twin Peaks FAQ: All That's Left To Know About A Place Both Wonderful And Strange (FAQ Series)

Synopsis

(FAQ). Twin Peaks , the infamously strange, seductive, and confounding murder mystery that made network television safe for surrealism, is returning to the small screen after 25 years. Created by David Lynch and Mark Frost, the series enjoys a hallowed standing in popular culture and remains a touchstone in the evolution of TV as an artistic medium. For its many intensely devoted fans, Twin Peaks continues to beguile and disturb and delight; it's a bottomless well of allusions, symbols, conundrums to ponder and images to unpack, an endlessly engrossing puzzle box, an obsessive's dream. Twin Peaks FAQ will guide longtime fans and the newly initiated through the origins of the series, take them behind the scenes during its production, and transport readers deep into the rich mythology that made Twin Peaks a cultural phenomenon. The book features detailed episode guides, character breakdowns, and explorations of the show's distinctive music, fashion, and locations. With a sometimes snarky, always thoughtful (but never dry or academic) analysis of Twin Peaks ' myriad oddities, mysteries, references, and delicious insanity, Twin Peaks FAQ is a comprehensive, immersive, and irresistible reference for experts and newbies alike.

Very nice book, yes. For all Twin Peaks freaks! Recommended along with The Essential Wrapped in Plastic. This one has pictures interspersed through out, though which I like a lot. I say buy them both & watch the show AGAIN & look forward to the return, season 3 on Showtime next year!

This book is everything a Twin Peaks fan can ask for. It is funny, interesting and new. Love it.

Cannot get enough.

A great read for anyone who loves Twin Peaks... whether you're a casual fan or an obsessive. It's insightful, smart, funny and fun to read!
