The Jordan Memorial: Family Records Of The Rev. Robert Jordan And His Descendants In America

Synopsis

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Book Information

Hardcover: 526 pages

Publisher: Andesite Press (August 8, 2015)

Language: English

Average Customer Review: 3.7 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #2,204,351 in Books (See Top 100 in Books) #95 in [Books > History > Middle East > Jordan](#) #80180 in [Books > History > World](#) #117497 in [Books > History > Americas](#)

Customer Reviews

This book has done the research for my for my father's family tree. Very informative and I am so happy to have been able to get a copy at such an affordable price for all the research that it had in it. Thank you to the researchers.

Because this book was published using OCR technology there are way too many errors in the copy from the original. Dates are wrong or missing; names are misspelled and missing on EVERY page. For a historian or genealogist, this book is not one to use for reference or family tree building.

Good history of my ancestors.
