Diarios De Motocicleta: Notas De Viaje Por America Latina (Che Guevara Publishing Project) (Spanish Edition)

Synopsis

Un muy joven Ernesto Guevara viaja por América Latina, junto a su amigo Alberto Granado, parten de Argentina y se enfrentan a aventuras y realidades que los transformarán para siempre. Vivido y entretenido diario de viaje del joven Che. Esta edición incluye fotografías inéditas tomadas por Ernesto a los 23 años, durante su travesía por Sudamérica y es presentada con un tierno prefacio de Aleida Guevara, quien ofrece una perspectiva distinta de su padre, el hombre y el icono de millones de personas. "Nuestro film es sobre un hombre joven, el Che, lleno de amor por el continente y buscando su lugar en él." -- Walter Salles, director del película "The Motorcycle Diaries" "Si tengo que ser sincera, debo decir que al leer me fui enamorando del muchacho que mi padre había sido." -- Prefacio de Aleida Guevara

Customer Reviews

NO HAY NADA MAS Lindo que leer acerca de nuestros países, aprender de ellos, por los ojos de un joven viajante como "Che Guevara". Se los recomiendo! Leanlo! :)

I give this 1 star because this Spanish Version is missing chapters that are in the English version.

Also some of the chapters are cut short in the Spanish Version. I love the book and give it 5 stars but not this incomplete version. Now I need to try and find an older more complete edition in Spanish.

The book I got was in excellent condition. It was brand new, even when I paid as a used book. Thank you so much for your great work on favor of your customers. This book is about contemporary Latin America history. It is the foundation for the movie with the same title. It also has two very good introductions, including one by a daughter of El Che Guevara. I think everybody knows that he was a great revolutionary leader in Latin America, but I was surprised to learn about his literary vocation in this book. Horacio A. Hernandez

This book, a diary of Che Guevara's trip to South America in 1952, shows the reader how the ideas of Che came to be. He sees the poverty, unemployment and exploitation of workers in South America.

An excellent introduction to the amazing life of Che Guevara. His early years set the stage for his future actions and great accomplishments.

If you're interested in the Che and liked the motorcycle diaries this will be a great read!!

What can you say besides this is the way this book was meant to be read. In Spanish. The English version doesn't do the prose and lyrical content of the Che's writings any justice.
