The IMLI Manual On International Maritime Law: Volume I: The Law Of The Sea

Synopsis

This three-volume Manual on International Maritime Law presents a systematic analysis of the history and contemporary development of international maritime law by leading contributors from across the world. Prepared in cooperation with the International Maritime Law Institute, the International Maritime Organization's research and training institute, this a uniquely comprehensive study of this fundamental area of international law. Volume I: The Law of the Sea addresses the major issues which arise in the law of the sea. It provides a detailed understanding of the historical development of the law of the sea; the role of the International Maritime Organization; the law surrounding maritime zones; the legal regime of islands; the international sea-bed area; the legal regime governing marine scientific research; the rights and obligations of land-locked and geographically disadvantaged states; the legal regime of Arctic and Antarctic; and the settlements of disputes. This volume also considers the ways in which human rights and the law of the sea interact. The forthcoming Volume II will address shipping law; Volume III will provide analysis of marine environmental law and maritime security law. The full three-volume Manual will set out the entirety of international maritime law, re-stating and re-examining its fundamental principles, how it is enacted, and the issues that are shaping its future. It will be a superlative resource for those working with or studying this area of law.

Book Information

Hardcover: 800 pages

Publisher: Oxford University Press; 25 Anv edition (December 23, 2014)

Language: English

ISBN-10: 0199683921

ISBN-13: 978-0199683925

Product Dimensions: 9.8 x 1.9 x 7.1 inches

Shipping Weight: 3.4 pounds (View shipping rates and policies)
