Customer Reviews

ISBN: 8425215390 ONLY is an exclusively black & white, concise and copiously illustrated paperback survey of 59 major works on 272 pages published in 1993 by Gustavo Gili (GG) in the Works and Projects series in English and Spanish side by side. A short introductory part on several pages is followed by the main review part presenting each shortly described project in a combination of excellent B&W photos, plans, sections, elevations, hard line presentation drawings, models, sketches, etc. The book is ended with a biography, writings, list of works on several pages. Most of 290 only B&W illustrations are technical, but all (incl. B&W photos) are of a good quality, well balanced, crisp and legible. Like all from the Works and Projects series, it is solid among architectural monographs, but slightly smaller than the same book in German in the Studio Paperback series published by BirkhÃuser Verlag under ISBN-10: 3764355603 (Basel)/08176* (Boston) or Artemis Verlag under ISBN-10: 3760881157 (ZÃ rich)/18740* (London).
