Pedro Pietri: Selected Poetry
There was no one in this country as ferocious, as brilliant, or as necessary as Pedro Pietri. In these days of growing inequality it is to his rebel vision I turn to for hope and for strength. A towering poet, absolutely peerless, explosively talented, a pioneer, and iconoclast, and activist, to whom the entire spoken word movement owes a debt beyond calculation."—Junot Diaz

One of the great American poets of the twentieth century, a leader of the Nuyorican poetry movement that ignited at Miguel Algarín's Nuyorican Poet's Cafe. Perhaps the most progressive and at the same time funniest poet of the period."—Amiri Baraka

Pedro Pietri's often playfully absurd poems chronicle the joys and struggles of Nuyoricans and define the Latino experience in urban America. By turns angry, heartbreaking, and hopeful, his writings are imbued with a sense of pride and nationalism and were embraced by the generation of Latino poets that followed him. Pedro Pietri: Selected Poetry gathers the most enduring and treasured work among his published books, Puerto Rican Obituary, Traffic Violations, and Out of Order, along with a generous selection of his previously unpublished works. Pietri (1944-2004) was born in Ponce, Puerto Rico, and raised in Manhattan. In the early '70s he was a featured poet at the Nuyorican Poets Cafe. Juan Flores (1943-2014) was a professor and director of Latino Studies at New York University, and author of many books on Puerto Rican and Latino culture. Pedro López Adorno is a professor in the Department of Africana and Puerto Rican/Latino Studies of Hunter College since 1987, and a published poet.

Customer Reviews

I discovered Pietri later in life than I wish I did. Had I known of him earlier, I would have loved to see him read. I ordered this book for a 3rd party thinking it was worth the savings and I like helping small businesses, but it took 2 weeks to get to me, and for that amount of time, I only saved about $4, so I'm not sure it was worth it. The book was brand new and in mint condition when it arrived, so that's worth the 4 stars. Separately, couldn't recommend this book enough. Such a wonderful collection of a great man's writing. Add it to your bookshelves. It's worth it.

This book actually came is PERFECT condition!!! Means a lot to my collection of the greats
