Customer Reviews

I have not yet read through the entire score, but this seems to be a decent copy of Die Fledermaus. It contains everything I was looking for - namely the melodies and basic scores to the songs of Die Fledermaus - as well as the pleasing inclusion of the dialogue in German with English translations. The songs do not include the English translation, but this was no trouble for me as I have access to that information elsewhere anyway. All in all, it seems so far to be just what I was looking for and appropriately priced.

Offering used music is a GREAT thing. Recycling & keeping the selection of music at a reasonable rate. Happy to get this, very good service

Just perfect!
