Customer Reviews

I am currently playing "Mama Rose" in a production of Gypsy and found the vocal score from Tams Whitmark difficult to use. This piano vocal score is absolutely complete and made learning the role ever so much easier. The book was nicely bound and is holding up well under all the hard work. I also received it quickly, which was important, and the price was better than I could have gotten it for from the publishers. All in all everything met or exceeded my expectations.

The book does not contain all of the songs from the show or allof the verses to the songs it does include. It is easy to read and includes pictures.

great product and seller AAA
