Customer Reviews

I really do love the Strauss waltzes and this seems to be a good version of them. They are at an intermediate-advanced level in this book and seem to be complete scores. There is another book that is good for those who are 'advanced beginners': Strauss Waltzes for Easy Piano. The cover looks different from the one pictured here--but the music was what was advertised. It advertised being able to download the songs and when I went to the web page I couldn't find them--which is why I gave 4 stars. The songs in this book are: The Artist's Life, The Beautiful Blue Danube, Emperor Waltz, The Kiss Waltz, Morning Leaves, Tales from the Vienna Woods, Vienna Life, Voices of Spring, 'Wine, Women and Song,' and You and You.
