Customer Reviews

This edition is perfect for preparing the piece. Contains only Italian text, which is great. I am extremely satisfied with this purchase.

This is my first vocal score and of all the other vocal score I saw before deciding to buy this one, were all useless and pathetic in front of the Ricordi vocal score. Buy it... you will NOT be disappointed!

I bought this for my opera singer husband. He's busily making notations on it, and loves it. He said that this version is quite superior and makes it easier to learn.

I ordered this for a friend as an early Christmas present. It was a very happy surprise. They loved it!

Simply wonderful, sober edition.
