Even grownups enjoy this imaginative story of a boy whose purple crayon takes him on a magical journey. The Spanish translation retains all the magic of the English original, such that a friend in his 20s became glued to the book when I first brought it to his attention. Caution: Although the story is understandable to children as young as 3 or 4, it is longer than it looks! Begin the story only if you are prepared to read for a little while, but once you do, you'll enjoy the trip. A los grandes les gusta esta historia imaginativa de un niño cuyo lápiz morado le lleva en un viaje de encanto. La traducción a español conserva todo el encanto del original inglés, tanto que un amigo de unos 24 años se quedó clavado al libro cuanto por primera vez se lo presenté. Aviso: Aunque la historia se comprende por niños de solo 3 o 4 años, es más larga que parece! Empezar la historia solo si estás preparado(a) leer un rato, pero ya haber empezado, disfrutar el viaje.

Esta traducción está bien hecha. El español fluye con naturalidad tanto como el original en inglés. A mi hijo le encanta y yo feliz de tener otro buen libro en nuestro idioma. This is a great translation of a wonderful book. I highly recommend this version to anyone who is raising a bilingual child like we are and is looking for a good book in Spanish.

My mother teaches preschool to mostly Spanish-speakers, so this was a must have. A very good translation of the beloved English classic.

While it is nice to have, as an English speaking limited Spanish reader, the vocabulary here is on the upper end of being able to read it smoothly.
