Customer Reviews

Good version of the Mendelssohn violin concerto. Bought it for my 13-year-old. Only down side is that it doesn't have bar numbers or rehearsal marks. To ask a 13-year-old to count and mark the bar numbers is to have to erase everything and do it yourself again.

violin solo part is missing even though the cover says "For the violin with piano accompaniment."

This Piano-Violin score is of excellent quality and arrived in good time. I will enjoy studying this piece of fine music.

I have a very old version of this - falling apart from so much use. It's great to have a new clear crisp copy.

We got what we were expecting. Thank you!
