# To Be A Hero, Stolen Honor: Inside The FBI, CIA And The Mob

## Synopsis

This the true story of an FBI agent, a US Army Colonel, a decorated hero of the Vietnam War, and a true patriot, working to protect the country against enemies from outside and inside the US government. It is a chilling and disturbing tale of corrupt activities, tragic consequences, and sinister individuals, who fostered decades of nefarious operations that only served to betray and harm all Americans. The purpose of this book is to make the American public aware of information from insiders about the serious misconduct in the three branches of government. This misconduct involves people of both political parties who have inflicted devastating injuries to countless innocent people and upon American national security interests. This book focuses on political corruption and government complicity, organized criminal activities and operations, and United States involvement in foreign wars and the suppression of citizens' civil liberties. \_\_\_\_\_ Keywords - FBI, CIA, Corruption, Richard Taus, Mob, Drugs, Americans, War, Army, Enemies, Vietnam, Politics, South America, Belize, El Salvador, Guatemala, Israel, Columbia, Mexico, Guerrilla, William Sullivan, Mafia, Narcotics, Iran Contra, 9-11, Whistle Blower

## Customer Reviews

All Americans should read this, and understand that Richard sacrificed his freedom, possibly for the rest of his life, because he refused to go along with the corruption in our government. He refused to lie to the American people. After reading, you'll understand the 1 star rating and falsified comment left below. I'm not sure how the people involved in Richards case are even able to sleep at night, let alone look at themselves in the mirror and be ok with the person they see staring back.
