Grade Level: Preschool - Kindergarten

Customer Reviews

My 2- and 4-year-old love these books in English from the library, so I went ahead and tried this out. It is one of their favorites! Sharing and ice cream are hot topics, what can I say? The quality of the book itself is very good too, and I imagine it will last just like the ones at the library.

So glad these are now being made into Spanish books. I am an adult trying to learn Spanish and I find it easier to read books made for young children. There are 57 pages. The pages are simple pictures with speech bubbles above the elephants and the pigs heads with the words they are speaking inside the bubbles. There is about one sentence on every other page. Very cute Spanish book for someone like me trying to learn Spanish. I will purchase more of Mo Willems books as they become available in Spanish.

Lo compré para mi sobrina porque me encantan los libros de Mo. I bought this for my niece because I love Mo's books.

My kids LOVE Gerald and Piggie. We have several of these books by Mo Williams
