Carmen: Piano Duet Sheet Music Concert Suite For Two Pianos, Four Hands

Synopsis

Carmen is a multi-movement work, and this arrangement provides all the lustre from the original orchestral score equally shared by the two pianists, creating a most exciting performance piece. Movements may be performed separately, thus making it a bit more simple to learn, or it may be performed in its entirety. Sure to be a big hit with two-piano teams.

Customer Reviews

The story concerns the eponymous Carmen, a beautiful gypsy lady with a fiery temper. Not careful with her love, she is responsible for the downfall of many men. She woos the corporal Don JosÃ©, leading him to mutiny against his superior. His infatuation causes him to join a band of smugglers, of which Carmen is a member. He is happy with Carmen for a brief period, but is driven to madness when she turns from him to the bullfighter Escamillo....

Although I love this opera, I was under the impression that this book would be in English, but it was in French. It did not specify that it was in the original language, and appeared to say that it would be

in English so I was disappointed.
