Evaluation Of Industrial Disability: Prepared By The Committee Of The California Medical Association And Industrial Accident Commission Of The State ... Of Joint Measures In Industrial Injury Cases.

Synopsis

This concise, practical manual offers invaluable guidance for both professional and lay use in determination of accidental joint damage. The result of a California study, the original edition won wide acceptance in many other states as well. Practical use of the method has prompted certain modifications concerning terminology and measurements and these improvements have been incorporated into the Second Edition.
